

DON'T MISS YOUR CHANCE TO PARTICIPATE!

ENTRYBACK® HOUSING PROGRAM

IFA-VTD has partnered with HelmsBriscoe, the hotel industry's largest volume customer, to create an additional benefit to teams and families to have the best tournament experience possible. Teams and organizations participating in our Housing Program will have the unique opportunity to have a portion or all of their registration fee refunded to the team!

How It Works: Depending on the number of days a tournament will last and expected minimum nights travel teams will need to stay – hotel accommodations* will be arranged by IFA-VTD's Housing Solution Team. Teams that use the established process will be confirmed within the IFA-VTD tournament block and will have a portion or all of their tournament registration fee refunded when the minimum number of room nights are actualized.

**Limited room availability in some cities*

It's a Win-Win for Everyone!

Win #1: Teams participating in our Housing Program and staying at partner hotels will have their registration fees partially or fully reimbursed if they meet the minimum housing requirement. This is an automatic savings for the team.

Win #2: All extended team members' family and friends' rooms will count towards room night minimums.

Win #3: Participants will not only receive specially negotiated benefits and amenities from the participating hotels, the rates they'll be paying will be the best the market has to offer.

Visit our homepage and find the EntryBack® logo to book your rooms for our next qualifying event.

For qualified EntryBack® tournaments, a Housing Website link will be provided via the IFA-VTD website. Partnering hotels will be listed, describing not only their rates, but also special offers and location with respect to the fields of play.

- When teams register for an EntryBack® qualified tournament, a communication piece (letter) will be provided for the team's coaching staff to forward to team parents and family members.
- All reservations are booked online through the Housing Website or by telephone assistance, therefore guaranteeing reservations when payment is taken.
- Everyone stays and enjoys the Tournament.

Within two weeks of the tournament conclusion, the team organization will receive a significant portion or all of the registration fee, depending on the event and location, refunded from IFA-VTD's Housing Solution Team.

Please Note : Rooms reserved using booking methods not listed above do not qualify for this opportunity.
