

IFA-VTD “New Season Events”
August 1, 2019 – October 31, 2019

As IFA-VTD awaits their “New” database to become operational, we have selected to list our upcoming tournaments for the 2019-2020 season, so teams are able to view upcoming events and plan accordingly. We fully expect to have this “New” system in place for our directors and teams to participate, however; this gives our directors a chance to list their upcoming events for their teams.
